

The National Club's Commitment to Our Environment:

- All drinking water is filtered by the Club and filled in reusable glass bottles and used throughout the Club.
- Recycle all waste and garbage.
- Recycle all paper products.
- CFL energy efficient light bulbs used in most areas of the club.
- Switch off heat/air units daily in private rooms when not in use.
- Flat screen TV's that have energy star symbol.
- Recycle all ink cartridges.
- Use recycled or eco-friendly paper products where possible.
- Lights turned off in offices and any areas of the club not in use.
- Reuse all non-confidential printed documents for scrap paper.
- All member statements, flyers and invoices are sent by email.
- Purchase of local products when in season.
- Reduce printing of emails and promoting the same by adding the following to each email sent:

Think green, do you really need to print this e-mail?

The National Club's Commitment to 'Buying Local'

IT'S BEST FOR THE FOLLOWING REASONS:

- Fewer or no chemicals required to preserve food.
- Less packaging and package waste.
- Lower shipping costs and less fuel usage.
- Promotes and supports the local community.
